

Introduction

Advanced Clinical Conferencing is proud to be a registered member of the CPD Certification Service. We offer vital training and development days designed specifically for healthcare professionals in both NHS and private organisations across the UK. Our sessions cover a range of engaging topics, all tailored to meet the needs of your clinical teams whilst helping them earn essential CPD points.

Service Provided

At Advanced Clinical Conferencing, we prioritise our partnership by tailoring each training day to meet the specific needs of your clinical team. For example, the lead of your Urgent Treatment Centre may find it beneficial to refresh their team's knowledge on Wound Management and Burns Treatment. Following their instruction, we will design a detailed training event featuring esteemed specialists in these areas. Each hour of education is accredited with 1 CPD point, and certificates will be issued within four weeks post-event. Our training sessions can be conducted in person or via webinar, providing you with a dedicated point of contact for all your training requirements.

Specialties Covered

We offer specialised training in a variety of fields, including;

- Dermatology
- Mental Health
- Ophthalmology
- Physiotherapy
- Primary Care Topics
- Radiology
- Urgent & Emergency Care Topics

The Benefits

With our team of professional event organisers working alongside our clinical experts, you can have peace of mind that your clinicians' continued development is in capable hands. Our dedicated point of contact will collaborate with your team throughout the entire process, from event details and agendas to CPD certification. Additionally, we ensure seamless post event communication, including providing presentation slides once speakers have finalised them. Rest assured, we ensure you and your clinicians are well covered every step of the way.

Next Step

We are aware of the budget restraints, and we do try to tailor our events within these budgets to ensure you receive value for money. To take advantage of Advanced Clinical Conferencing providing training days to your staff, or for any further questions you may have, please send all enquiries to admin@advancedclinicalconferencing.com and a member of our team will be in touch.
